

Dear Friend,

## *SNECG Membership Application*

**SNECG**  
**PO Box 145**  
**Avon, MA 02322**

The Executive Committee and Board of Directors are pleased to have the opportunity to introduce you to our credit grantors organization whose focus is on our members and the goal of extending credit to their clients.

*Southern New England Credit Grantors (SNECG)* is growing and would like you to join in our growth. Originally this group formed to provide a professional environment for networking and idea exchange for credit professionals in Southeastern Massachusetts, our reach is far beyond that area today. We currently have members from financial, mortgage, credit reporting and insurance companies as well as education and legal professionals throughout Massachusetts, Rhode Island, and Connecticut. It is our hope to continue to expand addressing primarily credit granting concerns. In today's competitive arena of "virtual business" we must continue to learn how the brick and mortar organizations can survive and grow in this fast paced world of instant decisions fraught with increased risk, reduced loyalty and growing compliance concerns. We hope you will consider joining *SNECG* and bring your experience and professionalism to this valuable group.

### ***Who, what, where and how much?***

The core membership is comprised of individuals working for both banks and credit unions throughout southern New England. In addition, we invite any and all vendors whose core products are focused on supporting this group's credit granting focus.

In order to protect the original mission which is to support and educate those businesses engaged in the extension of retail credit *SNECG* offers two types of memberships. Voting memberships are open to any company whose primary business includes the granting of credit. Associate (non-voting) memberships are available to companies whose principal business activities are ancillary to the granting of credit.

*SNECG* meets the second Thursday of every month at The Fireside Grill in Middleboro, MA. The monthly meetings held September through May feature speakers pertinent to the industry. Each year we host an educational seminar covering current topics; a Holiday event with a raffle to benefit local charity; a Golf outing in June which is the major fundraiser for the Annual Scholarship we give away and various other events.
